

***Southeastern Wisconsin Teacher Recruitment Fair***  
**Saturday, April 21, 2012**  
**South Milwaukee High School**

Last year 12 area school districts participated in the Southeastern Wisconsin Teacher Recruitment Fair. Several applicants were employed by participating districts and many more made it to final interviews. This fair provides a good opportunity to do a lot of research in a condensed period of time...for both the employer and the potential employee.

Employers look for potential employees who are interested, courteous, and committed to education, as well as those who are well-trained with great experiences.

**Tips For Success**
